PRINCIPAL'S REPORT

Principal's Message

Welcome back! I trust that the students had a wonderful break and enjoyed quality time with family and friends. A special welcome is extended to the kindergarten students and their families and also the new students enrolled in Years 1-6.

Happy Lunar New Year to all our families celebrating this festival.

We are delighted to see the children back at school with renewed enthusiasm and energy.

The start of a new year provides an ideal time to set goals for the year ahead. The students will be asked to consider and set individual goals and volunteer themselves for various leadership roles within their classroom or School.

This year promises to be a productive year. The school's refurbishment is planned to be completed by June.

In 2018, our Marie Bashir Public School's dedicated and committed teachers will continue to focus on continual improvements for the betterment of our students. Our commitment to ensuring the students have a well- rounded education will be reflected in the future focused teaching and learning programs. In addition to our strong focus on literacy and numeracy. The Crown Foundation and the Packer Foundation will continue to fund the School's art program which has been extended to 3 days per week.

The students will also be involved in a music program coordinated by our new music teacher Ms Andrews. Welcome Ms Andrews.

STEAM will also be an emphasis for all classes as Miss Ponto secured a Science grant with Sydney University who will work in partnership with Marie Bashir Public School to provide some of our teachers with professional development. Sydney University has invited Marie Bashir Public School to become a STEM Teacher Enrichment Academy partner school for Sydney University's program for primary schools. Our Science program will also be supported by the expertise of Merideth Ebbs from University of Adelaide and staff from Atlassian.

As our student numbers have increased to 395, new staff have commenced.

I welcome the following new staff: Ms Andrews, Miss Blekos, Miss Gough, Miss Ghi, Mr Leeson, Miss Piggott, Miss Han and Mrs Knezevic.

I congratulate the following teachers on their permanent appointment to Marie Bashir Public School: Miss Ponto, Miss Skaf, Mrs Alfakhrany and Mr Leeson.

I wish Mr Bray all the best. He is working at Campsie Public School relieving as Assistant Principal for term 1 with the possibility of extension to the end of 2018.

Congratulations is extended to Mrs Alfakhrany and her husband who are expecting a baby. Mrs Alfakhrany will be taking leave for 2018.

Marie Bashir Public School houses the departments Home School Liaison Officers- Nevine Atlagic and Virginia Villar for our area and an Out of Home Care Officer, David Harcourt Norton. These officers are located in the office under the auditorium.

We will start the year with 17 classes for 2018 as we prefer to settle children into their routines as quickly as possible. We anticipate that there will be some changes until student numbers are confirmed.

The School's Department of Education class entitlement is 16 classes. The School will be employing the 17th class teacher with the money earned from the rent of Block D.

Thank you

I extend my gratitude to families who donated toys to Randwick Children's Hospital on behalf of the School.

Scripture Classes

There are six scripture classes offered at Marie Bashir Public School in 2018. The scripture classes include: Judaism, Catholic, Anglican, Hindu, Islam and Greek Orthodox .

Primary Ethics (for Kindergarten to Year 2 ONLY).
If you wish to change your child's scripture class, could you please inform the office.

Assembly

Marie Bashir Public School will conduct a formal assembly each week to present students with awards. Each class is rostered to present assembly in order to build their confidence and self -esteem to speak in front of an audience.

Kindergarten, Year 1 and Year 2 assemblies will be conducted each odd week on a Wednesday from 2pm- 2:30pm, commencing Wednesday 14 February. Years 3-6 will be conducted each even week commencing Wednesday 7 February.

Houses

There are four sport houses- Phillip, Hunter, King and Bligh. These are named after the first four Governors of New South Wales. Each student is allocated to a specific House and can earn points for his/her house through sporting endeavours. Each house will have a House Captain who is usually a senior student. Siblings will be placed in the same house.

School Leadership

Elections for our school captains were conducted at the end of 2017 and school captains were announced-

Kiera and Darren
Captains 2018.

Swimming Carnival

A swimming carnival has been organised for students in Years 3-6 and students in Year 2 who are turning 8 in 2018. The annual swimming carnival will be held on Tuesday, 13 February 2018 at Enfield Pools. Parents are invited to attend. Volunteers are required. **Please note:** All students in Years 3-6 will be attending the carnival.

Students Leaving School With Another Parent

Parents are advised to write a letter to the class teacher if there is a change of person picking their child up in the afternoon.

Supervision of Children

Supervision commences at 9.00am (in the quadrangle for all students) and ceases at 3.25pm.

If students are late to school, parents must obtain a late note from the front office before they drop their child off to class. The late note needs to be presented to the class teacher. Children are not to go to the classroom without being officially handed over to the classroom teacher by the parent.

It is extremely unwise to leave your child unsupervised in the playground outside these hours.

You are also reminded that if you are supervising your children in the playground after school they must be visible to you at all times and they must abide by the school's safety rules. To avoid any injuries, please discourage your child from playing on the new fixed play equipment and walking or jumping on the silver seats in the playground.

Parent Visitors

Parents are requested **not** to visit classrooms or approach class teachers during class hours or whilst teachers are on playground duty. If volunteering in a classroom, parents are expected to sign in at the front office and wear a visitors badge during their visit. Teachers have been advised to direct any inquiries, parents or visitors without badges to the front office.

If you would like to make an appointment to speak to your child's class teacher, please telephone the school office.

Please do not follow your child's class to the classroom. This can be disruptive and does not help your child to settle.

NAPLAN

Each year the students in Years 3 & 5 complete a basic skills test called The National Assessment Program In Literacy and Numeracy (NAPLAN). This year the test will be conducted on the 14-25 May.

Health Plan

If your child is an asthmatic or has an allergy, you are asked to provide the school with an asthma/health plan. Parents are also asked to notify the school to indicate whether their child will be carrying their Ventolin in their school bag or whether it needs to be kept in the front office.

Nut Free Lunches

We have students enrolled with severe nut allergies. Parents are asked to pack **nut free and sesame seed free lunches** for their child. Please ensure your child does not bring a peanut butter or Nutella sandwich to school, nut mixes or muesli bars that contain nuts. This will ensure a safe school environment for students who have nut and sesame seed allergies.

Healthy Recess and Lunch

I encourage all parents to pack a healthy morning tea and lunch for their child. Fruit, crackers, sandwiches and a rice salad are examples of food you need to pack. **Do not send chocolate, lollies, sweet biscuits and chips.** These are treats you can keep at home.

Permission Notes and Payments

All permission notes and payments that need to be returned to the school are to be placed in the white box in the front office unless otherwise stated on the note. Receipts will be issued for payments.

Sunscreen

Parents are asked to apply their child's sunscreen each morning. Students will have the responsibility to re-apply if they wish at recess or lunch time.

Hats

Students are reminded that they are required to wear their school hat to school, at recess and during their lunch break. Students who do not have a hat will be required to play under the covered area or in the shade.

Bikes and Scooters

Students are asked to wear a helmet if they ride their bike or scooter to school. Bikes and scooters can be kept in the enclosed area under the stairs beside the Out Of Home Care room during the school day. Students are not permitted to ride bikes or scooters in the school grounds before and after school.

Awards System

A successful Behaviour Modification Program promotes positive behaviour.

At Marie Bashir Public School, students are rewarded via the presentation of the following awards during a formal assembly:

- Each Class Teacher-Two class award;
- Sports award- one per teacher
- Science- One award presented to a K-2 student
One award presented to a 3-6 student
- Library- One award presented to a K-2 student
One award presented to a 3-6 student

Students can also earn champion choice cards in the playground/ moving around the school. Once a child accumulates 8 champion choice cards the child earns a merit award.

Once the students receive 3 merit awards, they are asked to return them to the office. Students will be rewarded with a Bronze **Principal's Award** at assembly.

Another 3 merit certificates entitles the students to a Silver Principal's award and a total of 9 merit awards will earn students a gold Principal's award and morning tea with the Principal.

Finally, Marie Bashir Public School rewards students for citizenship each month by presenting a child with the Aussie of the Month Award. One student is selected from a different stage each month.

Behaviour Modification Program

The flow chart below is an overview of Marie Bashir Public School's Behaviour Modification program for Kindergarten through to Year 6. Please note the program will be applicable for a year. Each year the children start with a clean slate.

If a child's conduct is of concern, class teachers will call parents before a letter goes home.

Parents and Citizen's Association (P&C)

The first P&C meeting will be held on Wednesday February 6 at 6:30 pm in the school library. I encourage all parents to attend.

Take Your Holidays When We Do!

Parents and teachers are concerned when students fall behind in their studies because of long absences. Families who plan to travel should do so during the school holidays. Parents are reminded that the Department of Education and Communities expect all students to be at school during the school term. Principals no longer have the authority to exempt a child from attendance at school due to a family holiday.

School Holidays for 2018 are:

14 April until 30 April

7 July until 23 July

29 September until 14 October

Summer holidays begin Wednesday 19 December

Road Safety and 'Kiss and Ride'

At the beginning of the year, it is necessary to remind parents about safe and appropriate places to drop off and pick up their children at school. The school has a pick up and drop off zone at the front of the school. **Please note that this is strictly a 'kiss and ride' zone and you are not permitted to leave your car in this area.**

Please respect our neighbours and do not park in their driveways or contrary to road notices.

Never double park or call your child across the road. Never do a u turn in front of the school and Never use the school driveway. Parents are asked to drive to the end of Albert Road where they can safely turn their vehicle at the cul de sac.

A few steps on your part could save your child's life. Infringements for parking offences around schools have considerably increased and rangers will regularly supervise parking in the area. Please see note below for more details.

Uniform

The uniform shop is open each Wednesday from 9am-10am. It is situated on the left hand side of the driveway.

Parents are reminded that students are expected to have a blue school bag with the school's logo which can be purchased from the uniform shop.

Chess Coaching

Sydney Academy of Chess is running chess coaching/chess club at Marie Bashir Public School in 2018. The classes will be held each Thursday before school from 8:30am- 9:25am, commencing 8 February.

Chess is a valuable activity for children, developing their logical thinking skills, concentration and discipline, as well as being a source of much enjoyment! What better way to combine learning and fun!

Chess notes are available from the front office.

For all enquiries, please contact Sydney Academy of Chess on (02)97451170.

MUSIC PROGRAM 2018

Marie Bashir Public School is pleased to offer a music tuition program where music lessons will take place on the school premises before and after school hours or during lunch break. We offer the following choice of instruments for tuition: violin, cello, guitar, piano/keyboard and drums/percussion.

When choosing an instrument for your child, you may take into consideration the following points:

1. Your child's preference should be considered. Some children have a very strong attachment to a particular instrument. If this is the case, you should follow their preference because they are more likely to be motivated to practice and will probably make greater progress.
2. Consideration should be given to the child's physical make-up and size. For example, some children are not big enough to manage certain instruments comfortably at certain ages.
3. Please also be aware that some instruments such as the piano/keyboard offer limited opportunities for children to join the orchestra or band.

While it is hoped that Marie Bashir Public School will be able to build an instrument library for hire in the future, students wanting to participate in the music program at this stage are asked to purchase their instrument of choice or rent it. Note: this does not apply to drums/percussion students. For more information, please contact Mrs Renee Colussi on renee.colussi1@det.nsw.edu.au or Erika Verolin on erika.verolin@det.nsw.edu.au

How Parents Can Facilitate Progress

Parents can encourage their child with their musical studies in many ways. The most important is to organise your child into a regular practice routine. This should preferably take place at a set time each day – before school, after school or in the early evening. Beginners should aim to start with approximately ten to fifteen minutes each time. The rate of progress and the amount of pleasure derived from playing an instrument depends largely upon the amount of practice and the concentration and effort that are applied during the practice routine.

A child's interest will sometimes wane during the course of their tuition; however it is very important to maintain continuity of lessons during these periods and to encourage home practice at all times!

Student Absence

As our music tutors are employed part-time, it is often not possible to make up lessons missed due to student absences. If the tutor is not able to give the full number of lesson in the term/year, a credit will be given to cover the difference. A credit will not be given for lessons missed because, for example, a child forgets to attend the lesson, is ill, or has a dental appointment. Lessons are made up at the tutor's discretion and will only be made up if it is possible to do so.

CONDITIONS OF ENROLMENT

Please read the following terms and conditions of Marie Bashir Public School Music Program. In signing the Application Form, you agree to these terms and conditions.

1. Commencement of Tuition

The *Application Form for Private Music Tuition* should be completed and returned to the School Office. The tutor will contact you regarding lesson times and information regarding purchase or rental of a suitable instrument, if necessary. Upon enrolment, an annual **Music Administration Fee** of \$30 is charged by the Music Program to cover expenses such as music tutor insurance, photocopying and stationary costs and general maintenance. This fee is non-refundable.

2. Commitment To Tuition

To build up an effective musical foundation, **all children who enter the music tuition program must assume a commitment to lessons until the end of the current school year.** Music tutors will render their own accounts at the beginning of each term and monies are payable directly to the tutor concerned by the date on the invoice. ***If not paid by this date, tutors may choose to discontinue tuition.***

3. Payment of Tuition

The following conditions apply to all instrumental lessons:

- Lessons must be paid for **in advance** for the term ahead.
- No refunds will be given for lessons discontinued during the term. In the case of a student going on holiday or leave during the term, the lessons will still be charged or the position forfeited.

---------------------------	-------------------------	------------------------------	------------------------
